FAST TRACK CERTIFICATE

Sustainable Business Fundamentals

With Tania Ellis

A 6-week online programme that gives you the essential principles and tools to put sustainability at the heart of business – and a certificate for your CV and LinkedIn.

What you'll learn

- Strategy & business case
- Organisation & change
- Operations & partnerships
- ESG reporting & communication
- Your own action plan

How it works

1. Week 1: Kick-off & strategy
2. Week 2: Organisation & implementation
3. Week 3: Business operations
4. Week 4: ESG communication
5. Week 5–6: Your action plan and CV-ready certificate

Who is it for?

- Career-driven professionals
- Change-makers in companies
- New CSR / ESG roles
- Anyone who wants a 360° foundation in sustainable business

What you take away

- 360° ESG understanding
- Your own action plan
- CV-ready certificate
- 10% off Academy 2027
